K Clarke

WAG FIG 1 coach at CYC

K (they/them) is an Advanced WAG coach and judge, and the Gymstar Coordinator at CYC Gymsports. In January 2026, they will attend the WAG FIG Level 2 Coaching Course in Canberra to obtain Advanced Silver accreditation.

K grew up as a dancer and began teaching during high school. In 2013, they started teaching ballet at a local gymnastics club in Perth, but soon transitioned fully into gymnastics coaching – and has loved it ever since.

Since moving to Melbourne in 2023, K has developed a strong passion for the Gymstar program and the inclusive, supportive community it fosters.

One of K's favourite apparatus to coach and judge is the balance beam. They are passionate about helping athletes develop the posture, precision, and mental resilience that beam work demands.
